MERLOT

Silky and ample with powerful notes of blackberries and forest-strawberries

A wonderful 100% Merlot that is simple and fruit forward. This wine is full of aromas of blackberry, thyme and a hint of rosemary. Its inky hue and soft tannins make for a pleasing wine that is medium bodied and a complement to any meal.

Winemaking:

- Grapes are harvest as peak ripeness to ensure intense fruit flavors.

How to Enjoy:

- This Merlot is suitable for an enjoyable, relaxed occasion with friends.
- Serve at room temperature.
- Particularly suits white meats, grilled lamb and vegetable terrines. Delicious with chocolate and chocolate desserts.
