Ronn Wiegand ~ Restaurant Wine

Zesty and aromatic, this is a full bodied, smoothly textured Sauvignon, with appealing grapefruit, lemon grass, apple and lime aromas/flavors. Medium long finish. Excellent.

“One standout from California is the 2007 Sauvignon Blanc from St. Supéry Vineyards in the Napa Valley. This \$23 wine, among the first of the '07s to be released, is a delicious, crisp sauvignon made in that piercing New Zealand style, with zippy lime and pink grapefruit, white peach, pineapple and floral notes. I can just imagine it with grilled or broiled fish, shellfish, sushi or herbed chicken, or as a refreshing aperitif as the warmer months approach.”
