ST. SUPÉRY ESTATE WINES ON TAP

AVAILABLE NOW | 19.5L KEGS

GREENER, FRESHER, BETTER.

Wine on Tap is an innovative dispense method for wines by the glass to ensure a fresh and delicious glass of wine while reducing the cost of traditional packaging and transportation. By eliminating traditional packaging (bottles, corks, capsules, labels and cases), there is a great deal less to ship and recycle, lowering the carbon footprint of the wine, restaurant and hospitality industries.

Profitability

Return on investment in as little as 6 months. Up to 25% reduction in spoilage.

Speed

No corks to pull or bottles to stock. More time to focus on customers.

Freshness

Guaranteed fresh glass of wine. No oxidation, no wasted wine!

Trending

The hottest new trend in beverage programs across the country.

Sustainability

100% reusable steel kegs. Nothing to throw away or recycle.
