"Sleek and well-focused, with black cherry and roasted herb aromas, and layered flavors of red currant, mineral and espresso. Tannins build slowly on the finish. Drink now through 2018. 1,256 cases made." -2012

"Exceptional: a wonderful Merlot in a full, ripe, complex style. It is fleshy in texture, quite rich in flavor (blackberry, plum jam, cassis, toast, spicy oak, strawberry), and long on the finish. Delicious."

94 "This exceptional Merlot shows a softness appropriate to the grape variety but also a level of concentration and flavor impact that is remarkable and very impressive... Platinum award winner at the San Diego International Wine Competition."

Wine Review Online, 2012

Aromas with complementary notes of anise, mocha and tightly knit vanillin oak. Dense blackberry fruit is laced with raspberry, dark chocolate and toasted oak. This is a wine of incredible structure, yet with a fine grain of tannin and a charming sense of style.
