Wine Advocate

"...possesses an opaque purple color as well as creamy cassis, mocha, black raspberry, white chocolate and subtle wood characteristics. Full-bodied, opulent and layered with fruit and glycerin, this impeccably made, long, rich, pure, authoritative Cabernet offers sweet tannin as well as luxurious fruit. Drink it now and over the next 10-15 years." - *RP, Oct. 2013*

Wine Spectator

"Offers alluring subtlety and finesse, with a mix of creamy-textured dark berry, oak, anise and espresso, sailing along on the finish, where the flavors gain depth and polish. Drink now through 2023." - *JL, 2013*
