## 2011 ST. SUPÉRY NAPA VALLEY ESTATE SAUVIGNON BLANC

“Fragrant aromas of red grapefruit, orange zest, and lime; hints of caramel, kiwi, and citrus on the palate. Balanced acidity. Elegant and delicious. Pair with fresh oysters.”

- Santé Magazine, 2012

This Sauvignon Blanc presents a brilliant shade of pale yellow speared by youthful streaks of green. The 2011 vintage provided generous grapefruit aromas coupled with green lime, kiwi and a subtle pop of caper. Flavors are rich with grapefruit, guava and a lemon zest citrus combination. The wine is rich, vibrant and generous, yet elegant with a terrific crisp finish.
