SUSTAINABLY FARMED

2012 ST. SUPÉRY NAPA VALLEY ESTATE SAUVIGNON BLANC

This wine presents with attractive pale yellow hues speared by notes of youthful greens. Crisp, bright grapefruit and lime dominate the aromatics and are complemented with a hint of caper and lemon zest. Flavors of fresh lime and grapefruit persist with elements of kiwi, citrus and caper. This is a rich, generous and vibrant white wine with a brilliant, crisp finish.
