

2018 NAPA VALLEY ESTATE MOSCATO

St. Supéry Estate Vineyards and Winery is a 100% Estate Grown, sustainably farmed winery located in the renowned Rutherford growing region in the heart of Napa Valley. Committed to producing the highest quality estate wines without compromise, we focus on sustainable winery and farming operations to protect the land and environment for future generations. Our Napa Valley Estate collection includes Sauvignon Blanc, Cabernet Sauvignon, Oak Free Chardonnay, Rosé and Moscato. These wines are balanced and showcase bright, fruit-forward flavors.

WINEMAKER'S NOTES This bright and opulent sweet wine is brilliantly colored in pale yellows with youthful hints of green. The aromas of mandarin and peach blossom dominate, together with marmalade and orange zest. A fruit basket of flavors burst in the mouth, led by rich and exotic peach and nectarine, joined by a citrus undercurrent and an orange peel finish.

VINTAGE 2018 The 2018 growing season started with a relatively mild winter and spring. There was some decent rain in early and mid-January, almost none in February, and a fair amount in March and April which filled up our lakes and kicked off the growing season. With a warm July, markedly cooler temperatures in August with no heat spikes, the weather remained ideal through September and October. There was a little rain in early October, but warm weather and dry breezes followed, allowing the grapes to hang on the vines longer and further develop their flavors. Harvest continued through November because of the ideal weather enabling the fruit to stay on the vine with no pressure from Mother Nature. The quality of the fruit was terrific, and the resulting wines show tremendous promise.

After achieving the desired flavors on the vine, the Muscat Canelli was harvested in the cool morning hours in an effort to preserve the delicate flavors. The fruit was received in the cellar, where the grapes were pressed to tank and immediately chilled and settled prior to fermentation. All fermentation was completed in stainless steel tanks at cool temperatures to maintain and enhance the natural flavors. The final blend was completed soon thereafter to capture the lovely bright qualities and intensity of flavor of the variety.
