

## 2022 NAPA VALLEY ESTATE ROSÉ

St. Supéry Estate Vineyards and Winery is a 100% Estate Grown, sustainably farmed winery located in the renowned Rutherford growing region in the heart of Napa Valley. Committed to producing the highest quality estate wines without compromise, we focus on sustainable winery and farming operations to protect the land and environment for future generations. Our Napa Valley Estate collection includes Sauvignon Blanc, Cabernet Sauvignon, Rosé and Moscato. These wines are balanced and showcase fruit-forward flavors.

**WINEMAKER'S NOTES** This bright and refreshing Rosé has vibrant pink and purple hues and aromas of raspberry and strawberry complemented by hibiscus and rose petal. Cranberry, pomegranate, and watermelon flavors follow on the palate and lead to a mouthwatering finish.

**VINTAGE 2022** The 2022 growing season began with budbreak in mid-March through early April, followed by abundant shoot growth in May. Early summer brought nice warm days and cool nights with veraison occurring mid to late July. Temperatures remained relatively even through the start of harvest and into August. Early September brought a heat wave that caused us to accelerate the final stages of the harvest to catch the optimum ripeness. The vintage created bright fresh wines with vibrant varietal flavors and textures.

After achieving the desired flavors on the vine, the fruit was harvested in the cool morning hours in an effort to preserve the delicate flavors. Upon receipt in the cellar, the fruit was both hand and optically sorted then left on skins for a few hours to achieve the lovely pale pink color and elegant fruit flavors. All fermentation was completed in stainless steel tanks at cool temperatures to maintain and enhance the natural flavors. The final blend was completed soon thereafter to capture the delicate youthful aromas and flavors that we see in this Rosé.
