

2022 NAPA VALLEY DOLLARHIDE ESTATE VINEYARD MUSCAT CANELLI

St. Supéry Estate Vineyards and Winery is a 100% Estate Grown, sustainably farmed winery located in the renowned Rutherford growing region in the heart of Napa Valley. Dollarhide Ranch is a 1,530+ acre property with steep, rolling hills, some flat lands, seven lakes and a vast array of wildlife located in the northeastern hills of Napa Valley. With elevations ranging from 600 – 1,100 feet, we have planted over 500 acres of grapevines, leaving the rest of the property to thrive in its natural state. Committed to producing the highest quality estate wines without compromise, we focus on sustainable winery and farming operations to protect the land and environment for future generations.

WINEMAKER'S NOTES Beautiful in color with pale yellow accented with hints of green, this is a rich and well balanced sweet wine. Aromas fill the glass with floral white blossom, mandarin orange, and fresh apricot. On the palate, flavors of ripe peach and honeysuckle meld together with citrus undertones and a tangerine zest to create an opulent and refreshing wine.

VINTAGE 2022 The 2022 growing season began as usual with budbreak in mid-March through early April, followed by abundant shoot growth in May. Early summer brought nice warm days and cool nights with veraison occurring in mid to late July. Temperatures remained relatively even through the start of harvest and into August, while early September brought a heat wave that caused us to accelerate the final stages of the Muscat Canelli pick to catch the optimum ripeness. The vintage created bright fresh white wines with vibrant varietal flavors and textures.

WINEMAKING After achieving the desired flavors on the vine, the Muscat Canelli was harvested in the cool morning hours in an effort to preserve the delicate flavors. The fruit was received in the cellar where the grapes were pressed to tank, immediately chilled and settled prior to fermentation. All fermentation was completed in stainless steel tanks at cool temperatures to maintain and enhance the natural flavors. The final blend was completed soon thereafter to capture the lovely bright qualities and flavor intensity of the variety.
