

2019 NAPA VALLEY ESTATE CABERNET SAUVIGNON

St. Supéry Estate Vineyards and Winery is a 100% Estate Grown, sustainably farmed winery located in the renowned Rutherford growing region in the heart of Napa Valley. Committed to producing the highest quality estate wines without compromise, we focus on sustainable winery and farming operations to protect the land and environment for future generations. Our Napa Valley Estate collection includes Sauvignon Blanc, Cabernet Sauvignon and Rosé. These wines are balanced and showcase fruit-forward flavors.

WINEMAKER'S NOTES This Estate Cabernet of deep purple hues, presents dark blackberry aromas combined with an elegant toasted oak nuance, threads of boysenberry, rich opulence with subtle notes of jam and graphite. Flavors follow with ripe blackberry jam, a luscious approach of dark fruits, terrific structure supported with elegant moments of oak and a finishing hint of anise. This is a supple yet generous wine with an excellent structure, feel and approach.

VINTAGE 2019 The 2019 growing season had a very wet winter and spring, capturing 41" of rain at Dollarhide. A mild spring with one late-May rainfall resulted in damp soils and healthy canopy growth. Other than one mid-June heat spell, summer was warm and dry, allowing for consistent and balanced ripening. Late summer and early fall continued to provide steady warmth. As evenings began to cool, the fall growing season was extended. The even ripening season with a mild summer resulted in excellent wine of great flavor and density.

WINEMAKING The fruit was hand-harvested in the cool morning hours. At the winery, the clusters were sorted using a double sorting system. First, the clusters were sorted by hand. The fruit then ran through a small de-stemmer before the individual berries being sorted to ensure the ideal grapes were selected. These berries were delivered to a fermenter where there was a period of resting on skins. Warm fermentation temperatures with gentle cap maceration achieved the desired color and structure before an extended maceration time on skins, prior to final pressing. The wine was transferred directly to barrel for 19 months of maturation.
