

## 2022 NAPA VALLEY ESTATE CABERNET SAUVIGNON

St. Supéry Estate Vineyards and Winery is a 100% Estate Grown, sustainably farmed winery located in the renowned Rutherford growing region in the heart of Napa Valley. Committed to producing the highest quality estate wines without compromise, we focus on sustainable winery and farming operations to protect the land and environment for future generations. Our Napa Valley Estate collection includes Sauvignon Blanc, Cabernet Sauvignon and Rosé. These wines are balanced and showcase fruit-forward flavors.

**WINEMAKER'S NOTES** A deeply concentrated Cabernet Sauvignon with an intense bouquet of black plum, dried fig, black pepper, roasted coffee and notes of anise. A richly textured wine with pleasing round tannins and a freshness on the palate that highlights ripe blueberries, dark cherry, baking spices and caramel notes along the satisfying lengthy finish.

**VINTAGE 2022** The 2022 growing season began as usual with budbreak in mid-March through early April, followed by abundant shoot growth in May. Early summer brought nice warm days and cool nights with veraison occurring in mid to late July. Temperatures remained relatively even through the start of harvest and into August, while early September brought a heat wave that caused the grapes to accelerate their ripening, while conditions remained dry. Overall, 2022 did not disappoint, creating wines with opulent aromatics and flavors.

**WINEMAKING** The fruit was hand-harvested in the cool morning hours and brought to the winery in half-ton bins. The clusters were sorted using a double sorting system, first sorted by hand. The fruit then ran through a small de-stemmer before the individual berries were sorted to ensure that the ideal grapes were chosen. These berries were delivered to a fermenter where there was a period of resting on skins. Warm fermentation temperatures were encouraged along with gentle cap maceration to achieve the desired color and structure for the wine before an extended maceration time on skins prior to final pressing. The wine was transferred directly to barrel for 18 months of maturation.
