

2024 NAPA VALLEY ESTATE ROSÉ

St. Supéry Estate Vineyards and Winery is a 100% Estate Grown, sustainably farmed winery located in the renowned Rutherford growing region in the heart of Napa Valley. Committed to producing the highest quality estate wines without compromise, we focus on sustainable winery and farming operations to protect the land and environment for future generations. Our Napa Valley Estate collection includes Sauvignon Blanc, Cabernet Sauvignon and Rosé. These wines are balanced and showcase fruit-forward flavors.

WINEMAKER'S NOTES Bright and refreshing, this Rosé has an inviting pink hue and aromas of raspberries, strawberry jam, juicy watermelon and rose hip. The palate is overflowing with fresh strawberry, cranberry and citrus peel with notes of hibiscus and melon. A satisfying wine with delicate acid structure and a lingering finish.

VINTAGE 2024 The 2024 growing season was classic Napa Valley. Much like 2023, the valley saw a wet winter that nourished the soil and set the stage for a mild spring. The wet beginning of the season was key in 2024. Bud break began normally during a period of extended mild spring temperatures with abundant shoot growth. Canopy management was important to veraison and ripening during extended warm periods from June through harvest. The first red grapes were picked in early September. The cool nights preserved beautiful acidity in the fruit and created classic varietal character in the grapes.

WINEMAKING After achieving the desired flavors on the vine, the fruit was harvested in the cool morning hours to preserve the delicate flavors. Upon receipt in the cellar, the fruit was left on skins for a few hours to achieve the lovely pale pink color and elegant fruit flavors. All fermentation was completed in stainless steel tanks at cool temperatures to maintain and enhance the natural flavors. The final blend was completed soon thereafter to capture the delicate youthful aromas and flavors that we see in this Rosé.
