

## 2023 NAPA VALLEY ESTATE CABERNET SAUVIGNON

St. Supéry Estate Vineyards and Winery is a 100% Estate Grown, sustainably farmed winery located in the renowned Rutherford growing region in the heart of Napa Valley. Committed to producing the highest quality estate wines without compromise, we focus on sustainable winery and farming operations to protect the land and environment for future generations. Our Napa Valley Estate collection includes Sauvignon Blanc, Cabernet Sauvignon and Rosé. These wines are balanced and showcase fruit-forward flavors.

**WINEMAKER'S NOTES** A richly concentrated cabernet sauvignon with floral, black pepper spice, and red fruit aromas wrapped in cedar and warm leather notes. The palate is plush with vibrant cherry, juicy black plum, blackberry, baking spices, anise and a touch of vanilla. The finish is long and satisfying, creating a balanced wine with textural opulence and grace.

**VINTAGE 2023** The 2023 growing season was entirely about patience. A long, wet winter and spring filled our lakes and nourished the soils. With the cooler start to the season, the budbreak was several weeks behind average. Once warm, mild weather conditions took over in the late spring and early summer, abundant shoot growth in May and June proceeded. Canopy management was vital to veraison, which occurred in mid to late July. The first cabernet was picked on September 21st and continued through the next several weeks. The longer hang time allowed the fruit to catch optimum ripening, creating wines with opulent aromatics and flavors.

**WINEMAKING** The fruit was hand harvested in the cool morning hours and brought to the winery in half ton bins. The clusters were sorted using a double sorting system. The clusters were sorted using a double sorting system, first sorted by hand. The fruit then ran through a small de-stemmer before the individual berries were sorted to ensure that the ideal grapes were chosen. Warm fermentation temperatures were encouraged along with gentle cap maceration to achieve the desired color and structure for the wine before an extended maceration time on skins prior to final pressing. The wine was transferred directly to barrel for 18 months of maturation.

### APPELLATION

Napa Valley

### OAK MATURATION

100% French oak (41% new)  
for 18 months

### ALCOHOL

14.5%

### VINEYARD

Dollarhide Estate Vineyard
